

Hydrok UK are proud to showcase our Integrated Fixed- film Activated Sludge Process (IFAS)

Armthorpe STW DN3 3EH, Wednesday 23rd January 2013
With the kind permission of Severn Trent Water

Itinerary

10:30 am	Welcome & Coffee
11:00 am	Site tour and project background
11:30 am	Front-end IFAS cage demonstration lift
12:00 noon	Cage set down for close up inspection
1:00 pm	Break for Lunch (off-site)
2:30 pm	Back-end IFAS cage demonstration lift
3:00 pm	Cage set down for close up inspection
4:00 pm	Finish

Hydrok, together with our technology partners in Cleartec and Aquaconsult will be on hand to explain the process and to answer questions throughout the day.

Directions;

From the M18, exit at Junction 4. At the roundabout, take the exit onto the A630 toward Doncaster. At the roundabout, take the 1st exit onto Yorkshire Way, then at the following roundabout, take the 3rd exit and stay on Yorkshire Way. Turn right onto Durham Ln. Turn left toward Holme Wood Ln, and left again onto Holme Wood Ln. Armthorpe STW will be at the end of the lane on the right.

Please inform us of your travel plans to enable us to manage parking arrangements on site, as limited space is available.

We look forward to seeing you!

The Hydrok Team.
